Name of Student and Roll No. :

Topic/ Title :

Guide Name :

| Sr. No.                     | Date of Discussion | Points of Discussion | Expected Deliverables for the next discussion | Sign |
|-----------------------------|--------------------|----------------------|---|------|
| 1                           |                    |                      |   |      |
| 2                           |                    |                      |   |      |
| Stage 1 - Proposal Review * |                    |                      |   |      |
| 1                           |                    |                      |   |      |
| 2                           |                    |                      |   |      |
| 3                           |                    |                      |   |      |
| Stage -2 Review *           |                    |                      |   |      |
| 1                           |                    |                      |   |      |
| 2                           |                    |                      |   |      |
| 3                           |                    |                      |   |      |

| Sr. No.                 | Date of Discussion | Points of Discussion | Expected Deliverables for the next discussion | Sign |
|-------------------------|--------------------|----------------------|---|------|
| 4                       |                    |                      |   |      |
| Stage - 3 Review *      |                    |                      |   |      |
| 1                       |                    |                      |   |      |
| 2                       |                    |                      |   |      |
| 3                       |                    |                      |   |      |
| 4                       |                    |                      |   |      |
| Stage -4 Review *       |                    |                      |   |      |
| 1                       |                    |                      |   |      |
| 2                       |                    |                      |   |      |
| Final Submission / Jury |                    |                      |   |      |

Please note that these are the minimum discussions that thesis committee believes that the students must do with their guides. However, the number of discussions may vary from case to case.

In case of online discussions; we suggest the students to keep the Studio Co-ordinator informed by email, post-discussion.

\* To be presented during each internal review & Copy of the form to be submitted with Final submission
